AMENDMENT Under 37 CFR 1.312

Dear Sir:

In response to the Notice of Allowance and Issue Fee Due dated October 7, 2003, (Hereinafter the "Allowance") for the above referenced application please amend the above-identified application without prejudice, as follows:

The Examiner indicates in the Detailed Action that accompanies the Allowance that allowed claims are claims 8, 10, and 19-21. This is consistent with the records concerning the examination of this application.

However, the Notice of Allowability that is part of the same Allowance lists in item 2 the allowed claims as claims 8, 10, 19, and 20. Applicants respectfully submit that the Notice of Allowability should include claim 21 as an allowed claim in the present application, and submit the present Amendment to note that this claim is missing from the list of allowed claims in the Notice of Allowability. Applicants request that the patent to be issued in the present case contain all the actually allowed claims that are claim 8, 10, and 19-21.

Serial No. 09/430,966

No additional fee is due in this matter. Please charge any deficiency or credit any overpayment to Deposit Account No. 10-0750/JAB1425/JJit in the name of Johnson & Johnson.

Respectfully submitted,
